

**TO THE HONOURABLE THE SPEAKER AND MEMBERS OF
THE HOUSE OF REPRESENTATIVES**

Petition Title: Protection for small business.

Reasons: Introduce legislation to prevent large corporate businesses from opening stores of the same market, in the same area, where history shows small businesses have closed due to the lack of business/customers in the area for everyone to exist.

This petition of certain citizens of Australia draws to the attention of the House:

Request: Set legislation in place to protect small business

We therefore ask the House to: Pass legislation
